Application deadline July 31st, 2009

To fill out the application position the pdf hand cursor over the applicable box, and a typing cursor will appear. Type as appropriate.

Name

Sex: M F Date:

Home address

Ithaca address

Ithaca or cell phone

E-mail Address

Previous university or college

Location of previous university or college

GPA from previous university or college

Cornell Proposed Major

Please answer the following questions and be concise when appropriate.

Answers may be attached in a Word document with appropriate headings if additional space is needed.

1. What is your vocational goal?

Give two reasons for selecting that goal.

A.

B.

2. From your high school and previous college: Please list any clubs, organizations and significant extra curricular activities in which you participated. What offices did you hold?

3. Please list honors, awards, and other recognitions you have received, both in high school and in college (specify which).

Please also complete the next page

4. What qualities (or qualifications), particularly those related to agriculture and the life sciences and Alpha Zeta's founding principles, do you have that make you a strong candidate for one of our awards? Your essay is limited by the space of the box. You may cut and paste your essay into the box.

CALS Charitable Trust Transfer Award Committee, 214 Thurston Avenue, Ithaca, NY 14850**

How to fill this Adobe pdf form:

To fill out the application position the pdf hand cursor over the applicable box, and a typing cursor will appear. Type as appropriate.

You may copy and paste in preprepared text.

You may add additional sheet(s) of accomplishments if desired. Print them as a separate document.

Unless you have the full version of Adobe Acrobat you cannot save this form in its filled-out condition; you have to print it using a pdf document creator as a “printer”.

If you only have Adobe reader (the common free download) you can Go to Adobe.com where you can print a form free, or download a pdf document maker (very useful to have) and then use that as a printer to save the file. For instructions see below.

Important: Name all files with a file name of “*your surname CCT application.pdf*” (or *transcript* or *addendum* as appropriate). **Files without your name in the file name will be rejected.**

Please return this application as an email attachment to CALSCCharitableTrust@cornell.edu to arrive on or before July 31st, 2009

To print as a pdf form

- Download a pdf document maker: There are many, some free and some that charge a nominal amount.
- One free one that works is **cutepdf** to be found at <http://www.cutepdf.com/>
- Download (download button, second zone down) and install the cutepdf Writer(Freeware) as directed. If they tell you to also download any conversion software from their site do that too. Follow all instructions.
- Save the Transfer Scholarship form from the web site and re-open in Adobe reader.
- Fill out the form (see top line above).
- Click on print and then select **cutepdf** writer from the list of printers that appears in your printers dialog box.
- It will save the filled out form and will ask you to select a location and type a new name.
- E-mail that form to CALSCCharitableTrust@cornell.edu as an attachment.
- You can also save unofficial copies of your grades in pdf format using **cutepdf**. Just print the report on the screen using **cutepdf** and it will make a pdf file of what you see.
- This is not an endorsement of **cutepdf writer**, nor a negative comment on any other pdf document creator.
